# MONSTER 3.0 – UNLEASHING THE UNTAMED

## WHAT HAPPENS WHEN DESIGN BREAKS FREE FROM THE NORM?

Monster 3.0 is not just a collection—it's a rebellion, a fusion of ferocity and finesse, rawness and refinement. In collaboration with Karan Desai, we've crafted pieces that don't just sit in a space—they own it.

Drenched in attitude, sculpted in audacity, and wrapped in unapologetic luxury—are you ready to unleash the monster?

THE THRONE OF DEFIANCE

## GATOO CHAIR

More than just a chair, it's a statement of rebellion. With a commanding silhouette and a luxurious fur embrace, the Gattoo Chair invites you to sink in, but stay alert. It's comfort with an edge—because softness can be just as powerful as structure..

CURATED CHAOS

## MONSTER LIBRARY

A library that doesn't just hold books—it holds stories, secrets, and statements.

Crafted with a raw, sculptural form, it embodies the elegance of disorder. Because in great design, perfection is overrated.

NATURE'S WILD SIDE

## MONSTER PLANTER

Why should plants have all the peace? The Monster Planter reimagines botanical displays with an avant-garde, feral aesthetic. Sculptural yet organic, it's a fusion of life and art—because even nature deserves to be bold.

THE GLOW OF THE UNTAMED

## MONSTER LIGHT

Lighting is usually about precision—but this one is about mystery. The Monster Light casts a glow that's more than illumination—it's an experience. Soft, unpredictable, and wildly elegant, this piece transforms any space into a theatrical spectacle.

### MONSTER CONSOLE

Some call it a table, we call it a beast in disguise. The Monster Console is where form meets function in a bold clash of materials. With its raw wood body and unexpected fur detailing, it's an artistic contradiction—brutal yet refined, structured yet untamed.

**SOME COLLECTIONS ARE DESIGNED.  
SOME COLLECTIONS ARE CURATED.**

**MONSTER 3.0? IT'S UNLEASHED.**

This is not just furniture—it's a movement. It growls,  
it prowls, and it refuses to be tamed.

For those who crave the untamed, the unexpected,  
the unapologetically bold—this collection is for you.  
So, dare to live with a little wild? Because we just did.
